

R-9062

SIDE MOUNT BRACKETS FOR RECARO POLE POSITION SEAT

The Brey-Krause R-9062 side mount bracket kit adapts (1) Recaro Pole Position seat to Porsche 996, Boxster, 911 and 944 models when used with Sparco or part number 0.20.40 Recaro sliders.

When using Sparco sliders it is necessary to use Brey-Krause part number R-9045 actuating tube. This allows the sliders to be mounted 16" apart as necessary in all Porsche models.

When mounting a seat in a 996 or Boxster it is necessary to use Brey-Krause seat track adapters to adapt Recaro or Sparco sliders to the chassis. Use part number R-9040 for Recaro part number 0.20.40 sliders or part number R-9041 for Sparco sliders.

Pole Position

There is one right hand and one left hand bracket. This centers the seat on the seat tracks.

Use the supplied hardware to mount the side mounts to the seat track sliders.

Performance driving events are by nature potentially hazardous to your health. Brey-Krause Mfg. Co. Inc. shall not be liable for injury, consequential, or other types of damages resulting from the use or misuse of our products. Proper installation of these parts is critical and should only be done by a professional shop.
